# PORTFOLIO

Dear Madam/Sir,

My name is Nikolay Devnenski - web and creative designer from Munich, Germany.

In my portfolio you can see examples of the advertising work I've made in the last fifteen years.

The first part consists of various newsletters which I designed for Auto Europe Deutschland GmbH, being part of their online marketing team for almost five years in the period 2012-2017.

The second part represents my work ( company and product branding, print advertising, 3D mockups) as a freelance graphic designer under the name of "Obertadesign" in Spain between 2002 and 2012.

Sincerely,

Nikolay Devnenski
